Light weight collection

These light weight planters are made of cement, fibre glass and sand. They are preferred by everyday gardener's , landscaper's and professional growers. With the natural surface, and classic terracotta finishes, the collection is versatile and recommended for both indoor and outdoor use, They are frost resistant, waterproof, light weight and extremely sturdy. Lightweight pots allows you to move them around in the garden, on the patio, indoors or on the roof with ease.

Small variation in color and sizes are evidence that products are hand crafted.
